Notes Prepared by: Kathy Woll

**Registry of Volunteers**

Helen will assemble a first draft of a list of parents willing to volunteer on a limited basis. For example, those willing to pick up uniforms, drop off flyers to schools, and other types of tasks with an end in sight. The list would then be circulated to other board members for additions.

**AGM**

Tony will talk to Bryant about who will attend on behalf of HSSC. It is scheduled for July 28-30, 2006 near Orlando.

**End-of-Season**

Hank will finalize collecting the equipment and ratings from the coaches.

**TCSL**

Steve is considering volunteering for a more active role with TSCL.

**Coaches**

HSSC will send a 'thank-you' letter for a great season to all coaches. Plans for next season may include an end-of-season dinner or similar for the coaches.

**Coaches Training and Summer Camp**

Steve, Tony and Ed Rao will work on plan for coaches training and summer camp. Camp will be affordable, and plans are moving forward.

**Spring Saturday Soccer**

Ed is organizing four 3-hour sessions coming up soon. He will finalize dates and times (tentatively starting 4/29), create a flyer and registration form, order shirts and balls (each registrant will receive). Kim will get flyer approval for distribution at the schools, and get counts for 8-12 year olds at: Port Salerno, Seawind, Warfield, Murray and HSE. Helen will deliver flyers to Port Salerno, HSE, Murray. Craig will deliver to Indiantown. Tony will deliver to Seawind. Registration will end on 4/13, with an on-field registration from 5-7pm. Tony and Craig will handle on-site registration. We need a volunteer to do registrations. Kathy will send flyers to the coaches.

**Website**

Tony will provide some more/updated content to Gary.

**990**

Helen reports that we are current with our annual 990 filings through 2005. She will make an inquiry to a friend about ongoing support for these in the future.

**New Board Position**

Ed Rao is officially a HSSC Board Member, as our Director of Training. Ed will work closely with Hank on developing programs for coaches and kids.

**Next Meeting**
