

**April 11, 2005 Board Meeting
Notes & Next Meeting Announcement**

In Attendance: Bryant Stuckey, Tony Sementelli, Cindy Casper, Dee Ness, Diane Mosciski, Craig and Kathy Woll, Steve Merritt, Frank Gancitano, Mark from PKs Soccer

Notes Prepared by: Kathy Woll

Uniforms

HSSC will migrate to a more consistent look, using PKs Soccer as a vendor and higher-quality Adidas uniforms. Will start with the rec league this year, and look toward all new comp teams utilizing the new uniform line. Existing comp teams will move to Adidas as well when complete team uniform acquisition is needed. The cost is just a few dollars more per uniform, but Mark states that as we increase our dollar volume with them, Adidas can make some significant offers. They are trying to build their market share in the rec league and seem to be willing to make some deals. Dee will ask Mark about getting some pinneys for the league for scrimmages and home games when the visiting team has the same color uniform.

Equipment

Frank will contact Kim Wilson to get an inventory of equipment we have. He will research goals (possibly 2 more for U10), first aid kits for each coach (including ice pack), ice packs for the freezer, a complete first aid kit to keep in the concession stand and player benchers.

Registration Cost

Currently \$70/125/170 (1/2/3 children in a family)
Will move to \$75/130/175 for registrations prior to on-site registration.
On-site registration (late) will be \$85/140/185.

HSSC Meetings

Will remain on 2nd Tuesday of each month.

Rule Books

Cindy will order 50. We will make available to coaches, and for sale to parents.

Newsletter Advertising

Each one costs about \$600 (\$2400 year). An advertiser can have exclusive advertising in an issue for \$600. Otherwise, \$125 ¼ page, \$75 business card, up to \$600 an issue. Friends of the Family will likely be serious advertisers. Bryant, Steve, Tony and Craig will take business cards. Dee will ask Mark from PKs.

Tournaments

We will reinforce as often as possible and appropriate that the tournament participation is required in HSSC. It was decided that teaching the kids to complete a season is a very valuable lesson.

Hobesoundsoccer.com

Is up! We need content! Please provide to our webmaster:
Gary L. Smith
283-8822
garylsmith@adelphia.net

Editor Note: On the registration form, we can add a place to collect email addresses (maybe already on there), then email the parents as items are added to the website, with a link. This may already be in the works, but we should have a sponsor recognition area.

Fields

Are coming along great! Should be ready by June 1.

Coaches Class

Preliminary response seems excellent. We will need kids for the field portions.

Job Descriptions

I have received from Diane Mosciski and Steve Merritt. Thanks! I would love to add to the list – feel free to email me with a brief outline of your job function. We can add detail later.

Trainers

Steve is investigating the possibility of a trainer being available for several practices for U8 teams. The club would provide this, and the trainer would be available to other teams optionally at that teams' expense. The additional coaches trainings provided by HSSC should be an excellent investment.

Next Meeting

May 10, 2005

Thanks all!
